

FIG.2

FIG. 3

FIG. 4

FIG. 5

A cross-sectional view of a device. A central shaft (25) is shown. On the left, a component (80) is attached to the shaft. The shaft passes through a series of components (84) and a central block (60). On the right, a vertical component (42) is attached to the shaft, with a flange (44) and a base (82) on the right side. The shaft is labeled 25, the vertical component is 42, the flange is 44, the base is 82, the central block is 60, and the components on the left and right are 80 and 84 respectively.
